REQUEST FOR PROPOSALS

**SOUTHEASTERN TRANSPORTATION CONSORTIUM – PHASE II
SYNTHESES OF BEST PRACTICES**

**BEST PRACTICE FOR RESILIENCE TO EXTREME EVENTS
LTRC Project No. 26-2PF, SIO No. DOTLT1000644**

We are enclosing a request for proposals pertaining to the captioned topic for your distribution to appropriate personnel who may wish to respond. A copy of LTRC Research Manual can be found here: https://www.ltrc.la.gov/pdf/2025/LTRC_RESEARCH_MANUAL.pdf which defines an acceptable proposal format in Chapter 3.3. Proposals must be submitted using the downloadable Proposal Form found here: <http://www.ltrc.la.gov/downloads.html>. A copy of a Proposal Review Form that our review panel uses to rate the proposals can be found here: http://www.ltrc.la.gov/pdf/proposal_review.pdf.

Please note that you must use the forms that are linked in these instructions above. In addition, your proposal title must exactly match our RFP title. A different titled RFP will not be considered.

Proposals must be received by LTRC by **12:00 NOON (CST) on Friday, November 13, 2026.** An electronic copy shall be submitted to Sheri Hughes via Sheri.Hughes@la.gov copying Samuel.CooperIII@la.gov before the due date.

Dr. Samuel Cooper, III, has been assigned to manage this project and may be contacted at 225-767-9131 or Samuel.CooperIII@la.gov for any discussion of related concerns.

We value our relationship with your fine institution and appreciate your interest in the Center.

Sincerely,

Samuel B. Cooper, III

Samuel B. Cooper, III, Ph.D., P.E.
Director
